INAUGURAL VOYAGE - FLORES TO RAJA AMPAT

Maumere (MOF) to Sorong (SOQ) via Spice Islands

🕒 12-Night

Note: All itineraries are subject to change, due to weather and other conditions.

This incredible itinerary takes in not just one, but four of East Indonesia's finest cruising destinations: East Nusa Tenggara, The Forgotten Islands, Spice Islands and Raja Ampat. Beginning in the coastal town of Maumere on the north Flores shoreline and finishing at Sorong, the capital of West Papua, this seaborne odyssey stretches for 950 nautical miles and includes a huge variety of sights, sounds and experiences, on land and in the sea.

Besides retracing the route of Old World European colonialists in their quest for spices, avid divers and snorkelers will also relish the sheer variety of marine habitats as they journey towards the heart of the Earth's one and only Coral Triangle. In the meantime, uncover your passion for birdwatching as you sail into the habitats of the rarest and most intriguing bird species in the world.

RAJA AMPAT

Sorong (SOQ) to Sorong (SOQ)

🕒 7-Night

Note: All itineraries are subject to change, due to weather and other conditions.

Raja Ampat, a land of glittering blue waters and strange rock formations, is part of the Bird's Head Peninsula in West Papua, the Indonesia's second easternmost province. The region is home to endemic and rare bird species, including the exquisite Wilson's bird of paradise.

More than 600 species of corals (nearly 75% of all known species of reef-building corals) and 1,500 species of tropical marine fish (about 50% of all known species) can be found in this region, owing to many different underwater habitats that range from shallow seamounts and reef flats to swift channels and deep drop-offs.

Day 1	Sorong habor
Day 2	Gam Island , Waisai, Kabui
Day 3	Cape Kri, Arborek
Day 4	Wayag
Day 5	Aljui Bay, Pulau Pef
Day 6	Dayang Island
Day 7	Birie Island

AMBON & SPICE ISLAND

Ambon (AMQ) to Ambon (AMQ)

7-Night

Comprising of over 1,000 islands, the Spice Islands in the Maluku region was once the center of the global spice trade. Centuries-old traditions and European relics on Banda Neira, once a booming spice hub, sit against the backdrop of Gunung Banda Api ("Fire Mountain"), an active volcano that's also a hiker's and birdwatchers' favourite.

Underwater, the Spice Islands houses a unique collection of marine life. Lava flow into the sea from a 1988 Gunung Banda Api eruption set off a massive rebirth of coral reefs. Today, these "underwater gardens" are among the liveliest and most diverse marine habitats in the East Indonesian Archipelago.
