FLIGHTS?
SAVE \$1,000 PP*
ON YOUR CRUISE**

For more information contact your preferred Travel Advisor:

*Terms & conditions: Flight offers are only valid for new bookings made between 27 Mar & 30 June 2019. Prices are per person and represent adult fares including any applicable taxes and fuel surcharges. The offer is based on fares to the nearest available online European city to the cruise embarkation point or an available alternative as advised at time of booking. The air carrier selected is at the discretion of Uniworld, based on available fare classes at the time of booking and must be purchased in conjunction with an applicable 2020 Uniworld Europe departure. Departure from Australia can be taken when convenient for the guest and not prior to 1 March 2020, subject to availability. The airfare cannot be sold in isolation and is subject to availability. Uniworld reserves the right to correct errors or omissions and to change all fares, fees and surcharges at any time. Airfares are valid departing from BNE/SYD/MEL/ADL/PER, subject to selected carrier and routing. Surcharges apply if the required booking class is not available and a higher booking class is required and for select arrival cities. By paying the applicable deposits you accept the Terms and Conditions of the Uniworld Air Offer, and tickets will be issued. Stopovers are subject to an additional surcharge and flight restrictions apply. After ticket issuance, date changes and cancellation fees apply. The promotion is capacity controlled, and may not be combined with any other offer, except for River Heritage Club savings. This offer is valid on all available cabin categories on all 2020 departures across Europe (excluding Holiday Season voyages) sailings from 1 March to 15 November 2020. For cruise departures where flights are out of date range at time of booking, we will issue tickets only when the return date is within range, approximately 331 days prior to the selected return date. Offers may be withdrawn or amended at any time. Please contact Uniworld for full details. UWS2995532
